I'm Free

Don't grieve for me, for now, I'm free. I'm following the path God laid for me. I took His hand when I heard him call; I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way; I found that place at the close of day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss; oh yes, these things, I too will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full, I savored much; good friends, good times, a loved ones touch. Perhaps my time seems all too brief; don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me free.

A Better Place

There's a place
I've never seen
Beyond this world we know.
A place I've only heard of
But someday hope to go -
It's not on any map
There are no roads
To take me there.
But it's a place of perfect peace
Where hearts are free from care.
And though I understand
Some may be saddended
When I leave,
One day we all will meet again -
That's what I believe ...

When it's time to travel there,
I think I'll wear a smile,
I'll say good-bye to those I love,
But only for awhile,
Knowing there are others
Who have traveled there alone
Who cannot wait to greet me
And to whisper "welcome home."
