When Tomorrow Starts Without Me

When tomorrow starts without me and I'm not there to see. If the sun should rise and you find your eyes all filled with tears for me. I wish so much you would not cry the way you did today, while thinking of the many things you didn't get to say. I know how much you loved me as much as I loved you, and each time that you think of me, I know you'll miss me too. But when tomorrow starts without me, please try to understand that an angel came and called my name and took me by the hand. She said my place was ready in heaven far above, and that I'd have to leave behind all those I dearly love. So when tomorrow starts without me, don't think we're far apart; for every time you think of me, I'm right here in your heart.
